Safe Faith

Lord, we're faced with so many decisions,
Not knowing which way to go
We're afraid we may choose the wrong one,
O Lord, help us to know
Let your peace be to us a guide
In knowing what we should do
And take us by the hand and lead
With the wisdom that comes from you
Sometimes we're scared to take the first step
When we don't know where to walk
We feel safe in our little comfort zones
With a safe-faith in our Lord
No matter what we come to choose,
May we know that you love us
And will be our guide to show the way,
We but only need to trust.
