Dear Ninth & Columbia Members:

On January 17, when the elders installed new deacons, we told the congregation that we would soon introduce some new plans. We are introducing the first phase of these plans now. They are intended to bring us back to meeting Sunday evening services and having fellowship meals.

We have divided the congregation into four groups. These groups will rotate after Sunday morning services for a fellowship meal. A first Sunday all-church potluck and devo will resume as we had in the past pre-pandemic. Singing and fellowship at the Bissetts' at 5:00 PM will continue on the first Sunday also.

There will be an evening worship service in the parlor at the building on the second and fourth Sundays for all members at 5:00 pm. There will be group meetings in homes on the third Sunday evening instead of a corporate worship service. One group will meet at the building each third Sunday evening.

We are not prepared at this time to resume the Wednesday evening outreach meals.

Enclosed is a copy of the Groups and a Fellowship schedule through June. There will be reminders in the bulletin each week for the next week's schedule. If you have questions, contact your group leader.

We pray all members will get behind these plans and "get us back" to reaching out to each other and growing closer again. God blessed our congregation through the covid pandemic and God will continue to bless us even more if we continue to put our trust in Him.

God bless each of you.
The Elders

Ninth & Columbia Church of Christ Fellowship Schedule

1st Sunday – Potluck & devotional; Evening – Singing @ Bissetts’

2nd Sunday – Group meal @ building; Evening Service @ building

3rd Sunday – Group meal @ building; Evening groups meet in homes with one group meeting at building

4th Sunday – Group meal @ building; Evening Service @ building

5th Sunday – Group meal @ building; Evening prayer service at building

Rotate by Groups to host the 1st Sunday Potluck and Fellowship. That group is to set up, serve drinks and clean-up. It would be appreciated if only the host group is in the kitchen area while serving and cleaning up. This is so we can practice social distancing as much as possible.
