

Sonlight Children's Home

Martial and Ketty Viciere continue to serve as house parents for the Sonlight Children's Home. Martial works with the LaTremblay congregation as one of the preachers and teaches some of the classes for IST.

Their daughter Lith-Amar Viciere is now a full-time student at Freed-Hardeman University in Henderson, TN. In her second year, she has maintained good grades, been active in social settings, and is working part-time. We are proud of Lith-Amar and the work she is doing. Her parents are paying a large portion of her tuition, and others are helping.

If you would like to help with her education, please send funds to the Broad Street Church of Christ address.

Please pray for Lith-Amar

A Note from Martial, Ketty and the Children

Religion that is pure and undefiled before God the Father is this: to visit orphans and widows in their affliction, and to keep oneself unstained from the world. James 1:27

My wife, the children and I wish you a happy 2022.

We are very thankful for all you are doing for Haiti specially Sonlight Children Home. We have successfully 2 doctors and this coming year another one. The children at Sonlight have a spiritual atmosphere to grow in. We hope they will make the best choice in their lives. They also have good models as adults to copy on in many ways.

We thank you again for all your support for the children here. Without your help their future would be compromised. The Lord help us via the love he puts in your heart.

God bless, Martial, Ketty and the children at Sonlight Haiti
