No one has gotten up from God's table needing a snack of grace.

Saul of Tarsus, who was public enemy number one in the kingdom of heaven at the time, tested the grace-enough-and-to-spare-principle as perhaps no other individual has. He was a blasphemer of God and murderer of innocent Christians. It seems he organized and supervised the mob killing of Stephen, for instance, who likely left a wife and child on earth when the fatal rock prematurely sent him into eternity (Acts7).

Surely, Saul would find that grace could cover only so much – and that he had long ago crossed that line. No, he also found bread enough to spare. Years later he wrote of himself (still calling himself the chief of sinners) as one “who was before a blasphemer, and a persecutor and injurious: but I obtained mercy... and the grace of our Lord was exceeding abundant” (1 Timothy 1:13, 14). Is it any wonder that Paul wrote more of grace than any other New Testament writer- in fact, more than all the others combined!

Can God forgive you? *Yes!* Will God forgive you? *Yes.* The question really is, “Do you really want to be forgiven?” Are you willing to take God on His terms? What are His terms? Learning of Christ (John 6:44, 45); faith in Christ (Acts 16:31); repentance of sins (Luke 13:3); confession of Christ (Romans 10:10); baptism into Christ (1 Peter 3:21); and then faithful living for Christ (Revelation2:10).

Take God at His Word. Trust in Him. Obey Him. Live with Him forever!
