End Of First Term

Finished two terms and a lot of growing.

I finished the first term in the middle of October. During our break, we helped Sunset put together and host the Global Missions Conference in Burleson, TX. The picture above is from after the conference. As soon as we got back, it was the start of the second term.

Second Term

My classes for the second term were The Christian home, Old Testament History 2 (O.T.H. 2), The Letters of John, Scheme of redemption, Essentials In Ministry, and Public Speaking 2. Christian Home, is where I learned some helpful things about growing a Christian household. In O.T.H. 2; we studied the books Judges - Esther. I am learning a lot more about the Character of God through these studies. I loved the Letters of John class. It was very interesting to learn more about these letters' histories and the meaning behind the words John uses. The Scheme Of Redemption taught me the connections between the Old and New Testament and how God has had a plan for redemption since before the beginning. Essentials In ministry had many guest speakers who taught us different tools that will be essential in whatever form of ministry we choose. And finally, I had Public Speaking 2. I learned

Happy Thanksgiving!

how to set up a mini chapel and wrote a Biography on a woman of the Bible, and I chose Elizabeth.

A couple of other things happened this term. I had the opportunity to give a lesson in the Ladies' chapel on Elizabeth. I have grown a lot in my friendships here! Some of us would like to create a mission team to go after school and serve where needed.

I am very excited about what this next term has in store, but for now, I will enjoy my Holiday break.

Mission Trips

I have many exciting Mission opportunities in 2023!

My first mission trip will be to Jinotega, Nicaragua, from March 10-17. This trip is organized through Disciple Trips, and has been paid. We will be doing a few different service projects, like working with a pregnancy center and building homes for those in need. I am very excited to see how God will use me and grow me through this experience.

My next mission opportunity is a big one! I have an amazing opportunity to do a mission internship in New Zealand. I am working with Miss Mary Nelson, the founder of Mission Bible Class. She creates and provides free Bible class curriculum. Part of my job will be helping her with some of the behind-the-scenes work and helping to create some crafts and activities. I will be raising money through fundraisers. I will attach the information for those with this letter if you are interested in helping me go on the mission internship.

Support

I am still in need of support! As you can see in my budget to the left, I have about half of what I need monthly. I would greatly appreciate any support!

If you have questions about my classes or support or want to catch up, feel free to call, email, or text me! My contact information is on the left.

Thank you all for being so encouraging and supportive of me! I would not be here without you, and I am so grateful for you!
