MARCH EVENTS

March has been full of activity, in school, for school, and out of school. We began the month by taking finals and closing the third term of the year, from there we had a break week which included a camping trip at **Big Bend National Park** and some much needed time with family. The month closed with a return to school beginning the fourth term as well as a weekend visit to Little Rock, AR to represent Sunset at **Lads 2 Leaders**.

A SCHOOL UPDATE

March marked the end of our third term of the year and with only one remaining we look eagerly toward the summer but excited still for the learning we have to come. We transitioned now into taking 1/2 Timothy & Titus, Wisdom Literature, Strategy & Church Planting, Revelation, and 2 Corinthians. Alongside these is our lab courses where Grace is preparing her senior lesson and Jaxon is in Weddings and Funerals.

In More Detail

LOOKING AT THE EXTRAS

When finals finished up we spent a few days a Big Bend where we hiked about fifteen miles over the course of two days. From there we weren't quite ready to be back in the Lubbock metropolis and headed to see family in the **Goldthwaite** area. We enjoyed fun with family and our new found hobby of pickleball which led to our victory celebration of milkshakes!

On March 22nd, **Grace** had her second appointment at Heartbeat Midwifery to check up on how the **pregnancy** and the **baby** were doing. We are excited to continue to report that everything seems to be progressing well.

To close the month out, we were asked to represent Sunset at Lads 2 Leaders, where we oversaw the booth, and shared all that Sunset has to offer (which is a lot) with many new faces. We even were able to see some **Missouri** family in the process, making it a weekend well spent.

Our Prayer Requests

As we begin another term we ask that you keep us in mind as we continue in our studies.

This year we also want to learn to better emphasize intentional rest and ask that you pray for us in our efforts to have moments where we stop, look, and listen for the Lord and His greatness.

Please keep Grace and the baby in mind for a healthy pregnancy during this time of growth and development.

THANK YOU TO ALL WHO ARE KEEPING UP WITH US ALONG OUR JOURNEY. WE ARE BEYOND GRATEFUL TO ALL OF THOSE WHO SUPPORT AND ENCOURAGE US TO CONTINUALLY PURSUE GOD AND HIS KINGDOM!

APRIL EVENTS

April was another eventful month, we had our research week from school where we spent time with family. We were able to visit the **Riverside** Church family in Kerrville, where Grace enjoyed a wonderful ladies day with them followed by Jaxon speaking on Sunday morning. Jaxon also played in a **golf** fundraiser for the Sunset youth's mission trip with a few boys from the college ministry and you can even see their score that got them 4th place. We also found out the gender of our baby, which you will see more about below.

A SCHOOL UPDATE

April served as the midway point of the **final term** of this school year and it is quickly coming to a close right before our eyes. We are on the downhill slide and cranking out final assignments before the summer, while this is exciting, it is also a **bittersweet** moment. It is sweet to see our friends that started just before us be finishing their time and graduating, but bitter to see those who we have grown so close to be moving on to other things that will place some physical distance in our relationships.

Sawyer James

AND ALL THE DETAILS

On April 24th, **Grace** had her third appointment at Heartbeat Midwifery to check up on how the **pregnancy** and the **baby** were doing. We are excited to continue to report that everything seems to be progressing well.

We have lots of excitement to share with you in the announcement that when our child comes into the world, it will be a **BOY!** We know that many of you share in our excitement to welcome **Sawyer James Wootton** into the world and look forward to the role you will play in his life.

With summer and a baby on the horizon, we do want to keep you updated that there will be some baby showers taking place. In Goldthwaite, **TX** on **May 26th** and in Festus, **MO** on **July 14th**. I will put the invitation to the Texas shower in this email and the one for Missouri in the next... we hope to see you there!

Our Prayer Requests

As we begin to close another term with finals we ask for prayers for strength in finishing this school year of studies, and for the graduates that we have grown close to who will be leaving.

This year we also want to learn to better emphasize intentional rest and ask that you pray for us in our efforts to have moments where we stop, look, and listen for the Lord and His greatness.

Please keep Grace and the baby in mind for a healthy pregnancy during this time of growth and development.

THANK YOU TO ALL WHO ARE KEEPING UP WITH US ALONG OUR JOURNEY. WE ARE BEYOND GRATEFUL TO ALL OF THOSE WHO SUPPORT AND ENCOURAGE US TO CONTINUALLY PURSUE GOD AND HIS KINGDOM!
